Notes

Closing date

Entries should be submitted by the 31st of March 2009.

File formats for submission

On the day that we show the films, we don't use the original DVDs - we transfer all of the films onto one DVD, to save us changing disks between each film. This means that DVD is not necessarily the best format for us to receive films in. We would prefer any of the following formats: avi, wmv, mpg, mpeg, mp4, or mov, although we will still accept DVDs. If you are unsure about this, either contact us, or just send a DVD.

Subtitles

If your film is subtitled, please ensure that these are embedded into the film, i.e. not DVD subtitles that can be switched on and off as required.

Promotional material

In order to promote the festival we intend to use a still image from each film and include this on our website, with a brief outline of the plot. If you would like a particular still to be used, please send this to us as a jpeg. If you would like to write the plot outline, please do so in less than 30 words.

We would also like to create a short promotional film made up of clips from some of the films we will be showing. We will put this onto the Internet, and try and get it shown at other events to promote the festival. Please indicate if you will allow us to use a part of your film in this way:

- YES you can use a clip from this film in a promotional film
- NO you cannot use a clip from this film in a promotional film
(delete as appropriate)

Signatory Agreement

The signatory takes all responsibility that the consent of the owner of the Title property, clearances from the copyright owner(s) and performer(s) of music used in the film have all been acquired from the appropriate authorities. Films should be 20 minutes or less and we would request that all entries are submitted on DVD/CD. Unfortunately, we will not be able to return submitted disks. The entrant agrees to the use of materials from the submitted film for promotional purposes. Entrants may submit more than one film.

I have read and accept the signatory agreement

Please submit DVD shorts along with a completed entry form to:

Leith Short Film Festival
c/o Paul Bruce
16 Campie Road
Musselburgh
EH21 6QG

Please do not send entries by registered mail - we miss the postman most days, so we end up having to traipse down to the post office to pick them up.
